

Campaign against Wagner

THE BLACK ROBE DILEMMA

A ballot
with only
one name
on it is not
an election!

Sorry! Regardless of
outcome, I believe
the city will have a
Sly Weasel as
a Judge.

**Willy Weasel does not have a second DUI.
HE does not alter transcripts.
He does not reject State Statutes.
HE does not slander his victims.
He does not threaten a teenager with saying
that he should kick his teeth down his
throat.
He does not pressure someone to get the
money regardless if he has to rob a bank or
put a gun to somebody's head.
And he definitely has not provoked a
teenager to commit suicide.
He is a much better candidate.**
